## Presidents Message

Hey Spinners!

I hope you are all well! I apologize for getting this out so late this month.

Our next meeting will be on zoom on Tuesday, May 19th at 7:00 pm. We will be talking about some of the different methods of scouring raw fleece, and what has recently become my favorite method for a worsted prep with minimal space. You will need the meeting ID and password, but you don't need a Zoom account to join.

ID: 994 985 7383

Password: WWHSpin

Hope to see you all there!

Also, the Viridian center has cancelled events through June, so we will be holding our June meeting on Zoom as well. I will continue holding spin-ins every Tuesday evening at 7pm for those who need a social outlet as well.

I don't know when will be safe for us to get together for our dye exchange. I don't want anyone to feel like they have to miss out or risk exposure—especially when I know so many of us are either higher risk, or are caretakers of those who are—so this will continue to be on hold until further notice.

Happy spinning!

Lisa
