## Presidents Message

Hello spinners!

I do believe this will be the last newsletter I write you for a little while. The end of the guild year is drawing near. Next meeting, we will be voting for guild officers for next year, but we are still in need of someone to volunteer for Vice President. Darlene Nethery has graciously volunteered for Treasurer! If you are on the fence about volunteering, please reach out to me or Cyndi. Our great group needs you!

For our meeting this month, which will be on July 21st, 7pm on Zoom, I will be talking about solar dyeing. ID and Password are still the same, but in case you lost them:

ID: 994 985 7383

Password:WWHSpin

For those who were participating in Fiber of the Month, I am working on putting together all of your fibers into bags with info tags and getting those out to you. I need all those who were still participating in March to email me. Along with the obligatory picture of your spun Horned Dorset, I will need your email address and street address. Once I have a good idea of where everyone is, I can plan to meet up in parks closest to the most people. Please email me directly at [Emeania@hotmail.com](mailto:Emeania@hotmail.com).

Thank you all for a great, albeit challenging, year. I hope to see you all on Zoom soon!

Happy Spinning!

P.S. I almost forgot, I'm still hosting Spin-ins every Tuesday through the end of the month. Come chat with me while we work on a project. Also, have you finished your friendship exchange project? Let's get those finished and returned to your exchange partner!

Happy Spinning!

—Lisa
